

XIV Hydrogen Program Contacts

Steven G. Chalk, DOE Hydrogen Program Manager
Office of Hydrogen, Fuel Cells and Infrastructure Technologies
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-3388
E-mail: Steven.Chalk@hq.doe.gov

C. Lowell Miller, Director
Office of Sequestration, Hydrogen and Clean Coal Fuels
DOE Office of Fossil Energy
Phone: (301) 903-9451
E-mail: Lowell.Miller@hq.doe.gov

A. David Henderson, Program Manager, Nuclear Hydrogen Initiative
Office of Advanced Nuclear Research
DOE Office of Nuclear Energy, Science and Technology
Phone: (301) 903-3097
E-mail: David.Henderson@hq.doe.gov

Harriet Kung, Director, Materials Sciences and Engineering Division
Office of Basic Energy Sciences
DOE Office of Science
Phone: (301) 903-1330
E-mail: Harriet.Kung@science.doe.gov

JoAnn Milliken, Chief Engineer
Office of Hydrogen, Fuel Cells and Infrastructure Technologies
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-2480
E-mail: JoAnn.Milliken@ee.doe.gov

Frederick Joseck, Technology Analyst
Office of Hydrogen, Fuel Cells and Infrastructure Technologies
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-7932
E-mail: Fred.Joseck@ee.doe.gov

Michael Mills, International Partnership for the Hydrogen Economy
Program Analyst, Board of Directors
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-6653
E-mail: Michael.Mills@ee.doe.gov

Graham Pugh, International Partnership for the Hydrogen Economy
Senior Technical Advisor, Board of Directors
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-8029
E-mail: Graham.Pugh@ee.doe.gov

Hydrogen Production and Delivery

Pete Devlin, Team Leader

Office of Hydrogen, Fuel Cells and Infrastructure Technologies

DOE Office of Energy Efficiency and Renewable Energy

Phone: (202) 586-4905

E-mail: Peter.Devlin@ee.doe.gov

Arlene Anderson, Technology Development Manager

Office of Hydrogen, Fuel Cells and Infrastructure Technologies

DOE Office of Energy Efficiency and Renewable Energy

Phone: (202) 586-3818

E-mail: Arlene.Anderson@ee.doe.gov

Roxanne Garland, Technology Development Manager

Office of Hydrogen, Fuel Cells and Infrastructure Technologies

DOE Office of Energy Efficiency and Renewable Energy

Phone: (202) 586-7260

E-mail: Roxanne.Garland@ee.doe.gov

Matt Kauffman, Technology Development Manager

Office of Hydrogen, Fuel Cells and Infrastructure Technologies

DOE Office of Energy Efficiency and Renewable Energy

Phone: (202) 586-5824

E-mail: Matthew.Kauffman@ee.doe.gov

Mark Paster, Technology Development Manager

Office of Hydrogen, Fuel Cells and Infrastructure Technologies

DOE Office of Energy Efficiency and Renewable Energy

Phone: (202) 586-2821

E-mail: Mark.Paster@ee.doe.gov

Hydrogen Storage

Sunita Satyapal, Team Leader

Office of Hydrogen, Fuel Cells and Infrastructure Technologies

DOE Office of Energy Efficiency and Renewable Energy

Phone: (202) 586-2336

E-mail: Sunita.Satyapal@ee.doe.gov

Grace Ordaz, Technology Development Manager

Office of Hydrogen, Fuel Cells and Infrastructure Technologies

DOE Office of Energy Efficiency and Renewable Energy

Phone: (202) 586-8350

E-mail: Grace.Ordaz@ee.doe.gov

Carole Read, Technology Development Manager

Office of Hydrogen, Fuel Cells and Infrastructure Technologies

DOE Office of Energy Efficiency and Renewable Energy

Phone: (202) 586-3152

E-mail: Carole.Read@ee.doe.gov

Fuel Cells

Valri Lightner, Team Leader

Office of Hydrogen, Fuel Cells and Infrastructure Technologies

DOE Office of Energy Efficiency and Renewable Energy

Phone: (202) 586-0937

E-mail: Valri.Lightner@ee.doe.gov

Kathi Epping, Technology Development Manager

Office of Hydrogen, Fuel Cells and Infrastructure Technologies

DOE Office of Energy Efficiency and Renewable Energy

Phone: (202) 586-7425

E-mail: Kathi.Epping@ee.doe.gov

Nancy Garland, Technology Development Manager

Office of Hydrogen, Fuel Cells and Infrastructure Technologies

DOE Office of Energy Efficiency and Renewable Energy

Phone: (202) 586-5673

E-mail: Nancy.Garland@ee.doe.gov

Donna Ho, Technology Development Manager

Office of Hydrogen, Fuel Cells and Infrastructure Technologies

DOE Office of Energy Efficiency and Renewable Energy

Phone: (202) 586-8000

E-mail: Donna.Ho@ee.doe.gov

Amy Manheim, Technology Development Manager

Office of Hydrogen, Fuel Cells and Infrastructure Technologies

DOE Office of Energy Efficiency and Renewable Energy

Phone: (202) 586-1507

E-mail: Amy.Manheim@ee.doe.gov

Technology Validation

Sigmund Gronich, Team Leader

Office of Hydrogen, Fuel Cells and Infrastructure Technologies

DOE Office of Energy Efficiency and Renewable Energy

Phone: (202) 586-1623

E-mail: Sigmund.Gronich@hq.doe.gov

John Garbak, Technology Development Manager (also Fuel Cell Team)

Office of Hydrogen, Fuel Cells and Infrastructure Technologies

DOE Office of Energy Efficiency and Renewable Energy

Phone: (202) 586-1723

E-mail: John.Garbak@ee.doe.gov

Safety, Codes & Standards

Patrick Davis, Team Leader
Office of Hydrogen, Fuel Cells and Infrastructure Technologies
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-8061
E-mail: Patrick.Davis@ee.doe.gov

Antonio Ruiz, Technology Development Manager
Office of Hydrogen, Fuel Cells and Infrastructure Technologies
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-0729
E-mail: Antonio.Ruiz@ee.doe.gov

Education

Christy Cooper, Team Leader
Office of Hydrogen, Fuel Cells and Infrastructure Technologies
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-1885
E-mail: Christy.Cooper@ee.doe.gov
